### Richmond, VA Equity Agenda

There are several first family you can learn about at the museum

As a city we have moved forward with a housing fund

Port of Vancouver has plenty of open space, but it shows as not enough open space/green space is there.

### NYC Parks: Framework for an Equitable Future

### Renton Equity Lens

History of Vancouver is "fleeing" other places

Don't let hecklers heckler - ex. don't allow public comment on apartment building construction as we will always have NIMBYs

How do we involve people in the vision?

As the generation in power shifts, the needs and focuses evolve
