1. Bid Award - NE 137th Avenue Corridor Completion Project (NE 49th Street to NE Fourth Plain Boulevard)

Staff Report: 080-24

On March 19, 2024, the City received 3 bids for the subject project. The bids ranged between \$26.37 million and \$32.95 million. One bidder was considered non-responsive because they provided incomplete bid bond form. The low bidder was responsive. The two responsive bids are as follows:

| SUMMARY OF BIDS | |
|--|------------------------|
| BIDDER | AMOUNT |
| <i>Tapani, Inc., Battle Ground, WA</i> | <i>\$26,368,398.26</i> |
| <i>Rotschy, Inc., Vancouver, WA</i> | <i>\$32,950,435.18</i> |
| <i>Nutter Corporation, Vancouver, WA</i> | <i>non-responsive</i> |
| <i>Engineer's Estimate</i> | <i>\$23.54 million</i> |

Due to the federal funding associated with this project, the Washington State Department of Transportation (WSDOT) has set a Disadvantaged Business Enterprise (DBE) goal of 16%, and 1,200 hours of training. Tapani, Inc. from Battle Ground, Washington is committed to meet these goals. There are no City Apprenticeship goals as federal guidelines for grant projects do not allow the inclusion of local agency apprenticeship programs.

Request: On April 22, 2024, award a construction contract for the NE 137th Avenue Corridor Completion Project (NE 49th Street to NE Fourth Plain Boulevard) to the lowest responsive and responsible bidder, Tapani Inc., of Battle Ground, Washington, USA at their bid price of \$26,368,398.26, which includes Washington State sales tax, and authorize the City Manager or designee to execute the same.

Hassan Abdalla, Engineering Manager, 360-487-7704

Motion approved the request.

2. On Call Contracts for Owner Representative Professional Services

Staff Report: 081-24

The City routinely utilizes contracts with various companies for the provision of professional services using “on-call” procedures. On-call procedures allow for a master contract establishing rates and scope to be executed without identifying work to be done, or costs incurred, until a project specific task order is issued. There are no costs or budgetary impacts until there is a task order and funding identified for an active project.

The City has large facilities capital projects scheduled for design and construction over the next several years. These projects are in support of multiple citywide initiatives and goals including safety, resiliency, climate action framework, and having a city government that supports vibrant communities.

The City has determined that consideration for utilization of alternative construction delivery methods, specifically General Construction/Construction Manager (GC/CM) as identified and applicable by Washington State RCWs, can offer successful projects. These contracts enable the City to supplement City staff with qualified consultant staff for GC/CM projects.

The only project currently designated for the GC/CM construction project delivery method is the New Public Works Operations Campus, however it could be used for delivery of future fire stations, large dollar value water and sewer treatment projects and transfer stations.

- Request:
1. Authorize the City Manager, or designee, to enter into professional services agreements with OAC Services, Inc. and Parametrix for the provision of owner’s representative and other contract applicable services on an as-needed basis for five years in an amount of \$1,000,000.
 2. Authorize the City Manager, or designee, to activate services to be provided under this contract with a series of specific task orders. The task order proposal provides for timely “as-needed” service provision, but within the framework, scope, and limitations of the overall master contract.
 3. Authorize the City Manager, or designee, to approve any legal action necessary to enforce the terms of the

foregoing agreements.

Jean Singer, Capital Projects Division Manager, 360-487-7755

Motion approved the request.

3. Approval of Participation Agreement for State of Washington Opioid Settlement with Johnson & Johnson/Janssen

Staff Report: 082-24

Since 2015, local governments around the Country have been united in efforts seeking to hold the manufacturers, distributors, and pharmacies of opioids responsible for the harms caused to their residents. The City of Vancouver joined this fight in 2019, filing suit against a number of manufacturers, distributors and pharmacies. That lawsuit was then transferred to the Northern District of Ohio as part of a nationwide multi-district litigation. The lawsuit has been pending there ever since. The City has already joined settlements with multiple opioid distributors (AmerisourceBergen Corporation, Cardinal Health, Inc., and McKesson Corporation) and retailers (Teva, Allergan, CVS, Walgreens, and Walmart).

The Council approved a memorandum of understanding in April 2022 (“One Washington MOU”), that delineates the amount the City of Vancouver would receive if any statewide settlement was reached (1.7306605325% of amounts allocated to local governments) and limits the categories for which opioid funds may be expended. Last month, the City entered into an interlocal agreement with Camas and Washougal to fulfill its obligations under this MOU so that any expenditure of opioid funds is as transparent as possible to the public.

On January 22, 2024, the State of Washington reached a settlement with the Johnson & Johnson/Janssen retailers for a total of \$123,340,000, fifty percent of which will be allocated to Washington’s local governments. (See JNJ WA Settlement, §§ V.C & VI.A). The settlement is contingent on every one of the 37 litigating local governments (of which Vancouver is one) joining the settlement by May 11, 2024. Joining the settlement, assuming all other litigating Washington local governments do as well, would result in an estimated net allocation to local governments in the amount of \$55,071,614.88. The estimate is premised on the total local government share (\$61,670,000) less the current estimate of the total LG contingency fee requirement (\$6,598,385.12) under Section IX.B. of the settlement agreement and the One Washington MOU. Given Vancouver’s allocation percentage of 1.7306605325% per the One Washington MOU, it is estimated that Vancouver’s allocation would be \$953,102.70. Ninety-five percent of this amount would be paid in a one-time payment this upcoming June. The remainder would be paid once every non-litigating local government joined the settlement, or January 22, 2026, whichever comes

first.

Request: Authorize the City Manager or designee to execute the attached Settlement Participation Form to join Washington State's January 22, 2024, settlement with Johnson & Johnson, Johnson & Johnson Innovative Medicine, Janssen Pharmaceuticals, Inc., Ortho-McNeil-Janssen Pharmaceuticals, Inc., and Janssen Pharmaceutica, Inc.

Dan Lloyd, Assistant City Attorney, 360-487-8520

Motion approved the request.

4. **Comcast Cable Franchise Renewal**

Staff Report: 083-24

AN ORDINANCE relating to cable television, renewing with revised terms and conditions, a nonexclusive and revocable franchise to Comcast Cable Communications Management, LLC, a limited liability corporation organized under the laws of the State of Washington ("Comcast"), pursuant to state and federal law, City Charter and City ordinance codified at Chapter 5.19, Vancouver Municipal Code, to operate, maintain, reconstruct and repair a Cable System for the purpose of providing only cable service, subject to the terms set forth in the Franchise Agreement.

*The current cable franchise agreement between the City (and Clark County) and Comcast will expire June 30, 2024. Federal law outlines the process which local governments must follow in determining whether to renew a franchise with an existing operator. Beginning in 2021, the Vancouver/Clark County Telecommunications Commission (Commission) conducted an extensive public process, consistent with the requirements of federal law, to determine community needs and priorities regarding a renewed franchise with Comcast. A City/County team has negotiated a proposed new agreement which reflects those needs and priorities, as highlighted in the attached "Priority Issues of the Vancouver/Clark County Franchise Renewal Process." The Commission conducted public hearings and adopted Findings and Recommendations (attached), unanimously recommending that the City and Clark County each award Comcast a renewed franchise agreement to be effective July 1, 2024 through July 1, 2034. **(NOTE: City charter requires that franchise agreements be published for at least 30 days between first and second reading.)***

The Commission finds that the proposed renewed franchise agreement, if approved, would meet the identified community needs and interests as follows:

1. *Franchise term of 10 years, effective July 1, 2024 – July 1, 2034;*

2. Comcast would continue to pay 5% of gross revenues in franchise fees to the City and County;
3. Comcast would switch from collecting \$1/month per residential subscriber PEG Capital Fees to support capital equipment needs of Public, Education and Government (PEG) channels to 1% of gross revenues;
4. The proposed franchise would provide expanded customer service provisions;
5. The density buildout requirements for extending the cable service moves from requiring 30 homes per cable mile to 20 homes in aerial neighborhoods;
6. Comcast would provide two additional High-Definition (“HD”) simulcast PEG channels by November 2024 for a maximum of five HD channels;
7. PEG channels would be available to all cable subscribers; and
8. Comcast would maintain where possible Washington State and local programming (including continuation of TVW, the Washington State public affairs station).

Request: On April 22, 2024, approve the franchise ordinance on first reading, setting date of second reading and public hearing for June 3, 2024.

Jim Demmon, Video Services Manager, 360-487-8706

Mayor McEnerny-Ogle read the title of the ordinance into the record.

Motion approved the request.

5. Approval of Claim Vouchers

Request: Approve claim vouchers for April 22, 2024.

Motion approved claim vouchers in the amount of \$12,669,521.84.
